PRACTICE SESSION

Sunday May 17th 9am to noon

Newport Hills Interclub Meet

Ever wonder what the Stroke & Turn volunteers are looking for as they walk the deck during a race? Ever wonder what the secret is to becoming a Starter at a swim meet? Both of these positions give you a front row view at the swim meet. Plus you can learn more about the rules of swimming.

Without “Stroke & Turn” volunteers and Starters, Somerset would not be able to host a swim meet. Somerset is in dire need of officials with younger swimmers. Most of our officials have children that will be graduating this year. Please come to an Officials Training class at Newport Hills to learn how to do one of these very important jobs. There are three classes to choose from. For more information on becoming an official, please contact Paul Jensen jensen@visionsource-rentonvision.com.
