

## SRC Member Deck(s) Reservation Form

One of the incredible perks of membership is the ability to reserve a deck for your party or gathering! **Members are responsible for collecting/paying the \$5 guest fee (per guest) for every non-member guest attending the event.** This policy respects our loyal members and ensures the Club's ability to continue to afford this membership benefit.

To reserve a deck, please read our Reservation Policy below, and bring completed form to the lifeguard in the front office.

### Policy:

- There is no cost for members to reserve either the Upper Deck OR the Lower Deck.
- If a deck is available on the date of your event, the guard will write your name on the Deck Reservation Calendar located behind the front desk. **Enjoy! The deck is yours!**
- Guest fees can be pre-paid, and are due no later than the end of your event. Submit guest fees in one lump sum to guard who will record amount at the bottom of this form.
- **Planning a large event that requires BOTH Upper and Lower Decks? You must first get permission from Jim Umbeck**, Club Manager. His cell is [\(206\) 601-3492](tel:2066013492). Large events may require additional lifeguards, so Jim may determine an extra fee associated with your event.
- Decks can only be reserved during pool hours. Any event taking place outside of normal business hours must be approved in advance by Jim.
- Members can sign up for **no more than 2 Deck Reservations at any one time** on the Deck Reservation Calendar so that all members have equal opportunity to reserve a deck.
